## CAMPER BEHAVIOR AGREEMENT

Lake Francis OE wants to insure that all campers have a fun, exciting time during their visit. With that in mind, there are behavioral guidelines campers are expected to follow. While Camp anticipates a few minor issues, it is good for all to understand the kind of conduct that allows everyone to enjoy a positive experience. Campers and their parent/guardian read and sign this agreement prior to camp attendance so everyone is aware of our guidelines ahead of time.

Lake Francis OE, the simplest guideline is to treat others the way you want to be treated

- > Giving everyone in the camp community respect at all times, including showing respect for other's personal belongings, privacy, and feelings.
- > Appreciating and caring for the camp's facilities, property and equipment.
- > Staying in the presence of camp staff at all times.
- > Using appropriate language and gestures.
- > Staying safe and never engaging in an activity which puts you, other campers, or staff at risk of injury.

All campers agree to abide by Lake Francis OE rules, and to always follow directions and guidance of the camp staff. Campers who fail these behavioral expectations receive guidance from staff. If issues persist, the parent/guardian may be contacted by phone and asked for assistance in helping their camper make better, more positive choices. If behavior does not improve, the camper may be asked to leave camp. Parents are responsible for their campers travel to and from camp.

**IMPORTANT: Campers asked to leave camp for behavioral reasons receive no refund of any kind.**

Examples of behaviors that are considered serious and can result in immediate expulsion from camp include, but are not limited to:

1. Possession, or use of, any item deemed dangerous by staff, including: weapons; illicit or illegal drugs or other controlled substances; tobacco products of any kind; or alcoholic beverages.
2. Physical abuse including hitting, kicking, biting, or pushing other campers or staff.
3. Repeated failure to follow staff instructions, particularly involving situations that put anyone in danger.
4. Leaving Camp property or a program area without the permission of Camp staff.
5. Verbal abuse of other campers or staff.
6. Behavior that negatively impacts another camper's experience.
